

CKP Environmental Policy

Canadian Kraft Paper is committed at all levels of the organization to the protection of the environment for the benefit of present and future generations. We will ensure this through the following activities:

- Through internal monitoring and external audits to assess our environmental performance and taking corrective actions through a continual improvement process on an ongoing basis;
- Adhering to compliance standards including regulations, legislation and any voluntary commitments that we undertake;
- Managing operations to minimize pollution and waste;
- Practicing sustainable forest management through our Sustainable Forest Management (SFM) Policy;
- Communicating environmental performance with our employees, the public and other stakeholders; and
- Encouraging and recognizing employees for their contribution towards improving our environmental performance.
